

Lena Juniper PTA
2011-2012

Thank you for joining the Parent Teacher Association! Your membership is vital in maintaining the National PTA's mission of providing support for every child.

Your Juniper PTA supports our students by providing programs such as Accelerated Readers, homework club, and assemblies, as well as funds for field trip busses and Math and Science Night.

The PTA board meets on the first Monday of each month, and any interested parents, staff or students are welcome to attend.

We are always in need of help for the various programs and events we organize each year, particularly our main fundraiser, the Juniper Jamboree held in late October. This year, we are looking for a Reflections Chairperson. The Reflections competition is open to all Juniper students and encourages them to submit original art, songs or stories to be judged and recognized. Please contact me for more information if you are interested.

Thank you,
Deborah Apel
PTA President
626-6277

Name: _____ Email: _____

Phone: _____
