NOTE: WASHING INSTRUCTIONS

**Normally the care label instructions pertain to the garment, not the embroidery.
 Special care should be taken when laundering embroidered garments.**

Home Laundering: All embroidered garments should be washed with a mild laundering detergent. ♦ Do not use chlorine bleach or optical brightening agents. ♦ If bleach is required for washing, use non-chlorine bleach in accordance with product instructions. ♦ Machine wash cold water. Delicate wash cycle. ♦ If color residue appears in water, rinse first in lukewarm water and then cold water several times until rinse water becomes clear. ♦ Remove promptly after wash cycle completion. ♦ Never leave any piece of embroidered clothing soaking in water or lying in a pile when wet. ♦ Do not rub stained embroidery.

Ironing: Embroidered fabrics should always be ironed on the reverse side. ♦ It is recommended to iron embroidery between two pieces of cloth. ♦ It is not recommended to wet embroidery prior to ironing or to use a steam iron.
