Planets by Sidney Ozaki

Planets, here, planets, there,
planets, planets, everywhere

Rocky, planets, quaking,
Giant, planets, spinning,
icy, planets, orbit,
and, vast, planets, rotate!

Planets, in space,
planets, miles away,
planets, in them Milky Way,
and, planets, beyond us!

Planets, here, planets, there,
planets, planets, everywhere!

Planets! Planets! Planets!
