The Gift I Received

It was my birthday, I turned eight years old. I told my mom I wanted a hamster. We were at Pet Smart. I chose my hamster. It was \$5.00 my sister bought one to it was \$10.00. We bought a cage for \$20.00. I was so excited to play with it when I got home. I put it in the ball. It was fast. After a few days, I named my hamster Furry. I named it Furry because it had so much fur. It was orange and white. My sister named her hamster vanilla. She named her hamster vanilla because her fur was as white as vanilla. I tried to play with vanilla, she bit my finger, and it started bleeding. After two weeks Furry learned to stand up for ten seconds. I held her legs and she started walking on her hands 'I saw her climb up the bars and hang. After a month or two Vanilla died. It was sad. We had to return Furry. We always forgot to feed her. Now it wasn't the same.
