

Science & Harvest Carnival

The Sarah Winnemucca Science and Harvest Carnival is scheduled for Friday, October 21 from 5:30-7:30. We are currently seeking 6th graders and their parents to serve pizza, run games and clean up to earn their scholarship towards the Great Basin field trip in May and extra credit in Science.

*Because we need to evenly distribute the volunteers between the shifts, we need you to indicate your preferred shift and then let us know if you can work the other shift instead if we need to put you there. We will let the kids know what shift you have.

*Children are not allowed to attend this event without an adult on the premises.

Student Name _____

Homeroom _____

Preferred shift – circle 5:30-6:30 OR 6:30-7:30

Parent signature: _____
