Great American Gift Wrap and Gift Sale

August 2010

Principal's Fundraiser

Monies from this event benefit whole school needs, teacher trainings, student scholarships, family emergencies, extended Computer Lab hours, Recess Coaches, the arts, and other SWE community needs.

As you can see, we have 3 major fundraisers during the school year. Each one funds different areas that support our children's academic, social, artistic, and citizenship development.

This year we are launching a new way for families to participate at SWE. Through Family Teams, we hope that you will volunteer for the projects that interest you. Instead of PTA membership, you can donate \$10 per family to the Family Teams that support family fun, student fitness and art. You can sign up for Family Teams on Parent Night, through your child's teacher, and in the Office. Please join us at the trimester Family Team meetings noted on this calendar, to share ideas for our School!
