

# SWE Wolves Vision

We, the SWE Staff and Families can build a foundation of lifelong, independent learning through differentiated instruction, to create responsible and respectful citizens who have a commitment to graduate from high school and succeed.

"The District prohibits bullying, including cyberbullying, and provides students, parents, and teachers with resources, mechanisms for reporting, and training to ensure a safe and respectful environment conducive to learning."

These personal standards are reflected in our behavior in our classrooms, hallways, playgrounds and gathering areas to, from and in school.
